# Hard Core Cleaning For Your Tech Gadgets

We know how hard your tech and gaming gadgets have to work and believe that cleaning solutions should work just as hard. Whatever the season whatever the tech, AF has a solution.

## PC Clene (PCC)

A re-sealable tub of anti-static impregnated wipes for plastic casings.

## Tech Wipes (MTW)

A handy flat pack of 25 impregnated wipes. Just wipe and go.

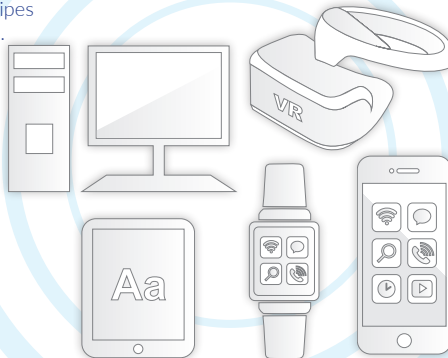

## Headset Clene (HSC)

Individually packed impregnated sachets to keep ear and mouth pieces clean and grime free.

## Smart Wipes (SMART)

Re-usable, washable and super strong. Smart wipes are supplied in individual sachets. These amazing dry wipes remove grease and fingerprints for an immaculate finish.

## Multi-Screen Clene (XMCA)

Travel Kit (XMCA) A handy travel-friendly pump spray universal screen cleaner with cloth.

## Tech-Cloths (TPC)

3 exceptionally soft microfibre cloths to remove dust and greasy marks for a sparkling screen.

## Ultra-Clene (ULT)

Individual wet and dry sachets and clever cleaning tool to clean hard to reach areas.

\*\*Remember: AF always recommends that you spray screen cleaning products onto a cloth and gently wipe your screen. Never spray product directly onto the screen surface.
